Northeast Indiana Bancorp, Inc. Announces Record Annual Earnings and Quarterly Earnings

Northeast Indiana Bancorp, Inc., (OTCQB: NIDB), the parent company of First Federal Savings Bank, announced earnings increased \$754,000 or 22.1% to \$4.2 million (\$3.49 per diluted common share) for the full year 2018 when compared to full year 2017 earnings of \$3.4 million (\$2.84 per diluted common share). 2018 annual earnings represent the highest earnings level ever recorded for the Company. The full year 2018 earnings equates to a return on average assets (ROA) of 1.28% and a return on average equity (ROE) of 11.48% compared to an ROA of 1.12% and an ROE of 9.66% for the full year 2017.

Commenting on the financial results, First Federal Savings Bank President and CEO Michael S. Zahn stated, “2018 was another record earnings year for First Federal Savings Bank. We’ve maintained our consistent loan and deposit growth while continuing to invest in the talent and technology that we need for the future. For the fourth year in a row, we have rewarded our shareholders with a special dividend in addition to raising our normal dividend for the 24th consecutive year.”

The Company paid out cash dividends of \$2.1 million to shareholders during the year ended December 31, 2018 including roughly \$905,000 from a Special Cash Dividend (\$0.75 per common share) that was paid to shareholders in December 2018 for the 4th year in a row of Special Cash Dividends.
