**YMCA Bag Donations**

The Parkview Huntington YMCA is continuing to work towards creating a fun educational environment for preschoolers in Huntington County. In September, Morgan Miller, Marketing Assistant at First Federal Savings Bank, delivered reusable travel bags to the school donated by First Federal Savings Bank. These bags will be used to help the students travel home with their artwork and letter pages each day.

First Federal Savings Bank strives to enhance the community around them through charity and service.

## *Real-Time Notifications*

In June 2020, First Federal Savings Bank launched Notifi, a notification system that is an enhancement of our previous notification system. Notifi is an innovative events and alerts solution that automates financial tasks and delivers real-time alerts not only for your deposit accounts but your loan accounts as well.

Relevant financial events such as a low balance, a pending loan payment or a suspicious transaction automatically trigger the delivery of real-time alerts. Accountholders control their communication preferences and can choose to receive alerts via email, text, a secure online inbox or push notifications.

You can sign up for Notifi alerts by simply logging onto your online banking or your mobile app.

## *Identity theft got you worried?*

American Bankers Association is kicking off their #BanksNeverAskThat Anti-phishing Campaign starting October 1st. Every day, thousands of people fall victim to fraudulent emails, texts and calls from scammers pretending to be their bank. This campaign will raise awareness among customers of the best practices for phishing defense. Every week during October, site visitors can test their scam savviness by taking the #BanksNeverAskThat quiz, then sharing it on Twitter to win one of 15 gift cards. All entrants in ABA's sweepstakes will also be eligible to win the \$1,000 grand prize at the end of the month. Go to [www.BanksNeverAskThat.com](http://www.BanksNeverAskThat.com) to take the quiz and find your scam score.
