Dee Ann Hammel Retirement Announcement

On October 13th, 1975, Dee Ann Hammel joined First Federal Savings Bank as a customer service representative. After 45 plus years of service and leadership, Dee Ann is retiring from the Bank. Her guidance and dedication has made First Federal Savings Bank the institution that it is today.

During her career, Hammel advanced from her initial entry level position to Senior Vice President and Chief Operating Officer. She worked in all areas of the bank over her tenure and spent most of her time managing operations and overseeing the compliance function of the Bank.

“Dee Ann is First Federal”, states President and CEO, Michael Zahn. “Her leadership, knowledge, professionalism, and class helped create the Bank’s culture and was influential to our success.” During her time at FFSB, Hammel was able to work with three generations of the Zahn family.

As Hammel enters the next stage of her life, she looks forward to spending time with her family and attending her grandchildren’s events. First Federal Savings Bank would like to thank Dee Ann for all that she has meant to the Bank and this community. More importantly, we wish her joy and happiness in retirement knowing she will always be a part of the First Federal family.

1st Federal Concludes Annual United Way Campaign

Through the month of November, First Federal Savings Bank and employees raised funds for the United Way of Huntington County. All 6 branches (3 in Huntington, 2 in Fort Wayne, 1 in Warsaw) participated in a silent auction, raffle, and cupcake sale with all proceeds going to the local nonprofit. Employees could also make individual pledges at any time during the campaign.

On Tuesday, December 1st, First Federal's Amanda Stroup presented a check to Orion McCormack of the United Way of Huntington County. A long-time supporter of the United Way and Huntington community, First Federal raised \$17,683.59 for the nonprofit.
