2018 United Way Campaign "Be a Hero" Pacesetter

First Federal Savings Bank has been named a Pacesetter of the 2018 United Way Campaign "Be a Hero." Each year, a select group of high performance businesses take on the challenge to "jump start" the annual campaign by becoming a Pacesetter. These organizations set the standard for leadership and community support by locking in their increased campaign donations during the summer/fall months. We are proud to promote and help with this initiative, as we believe that United Way has a strong impact on our communities.

First Federal Savings Bank is a 5 Star Institution!

Bauer Financial an internationally recognized banking rating agency, has awarded First Federal Savings Bank with its 5 stars designation. This is the seventh year in a row that First Federal has achieved the "5 Star-Superior" ranking. The Bauer Financial Star-Rating system ranks financial institutions based on capital ratios, profitability, asset quality, community reinvestment and more. Michael Zahn, President and CEO of First Federal Savings Bank comments, "Being recognized at a 5 Star for seven years in a row is a testament of the hard work our team puts in each day." Zahn continues, "We are humbled by this rating and thankful for the opportunity to serve our communities."
